CREATE OPPORTUNITY

Through sponsorship, many aspects of the Film Festival can be opened free to the public while supporting Kaua'i Pacific's celebration of children and storytelling.

## Create Opportunity

Beyond our exciting program of feature films, documentaries, live-action and animated shorts, **Animation Workshops** with Dreamworks/Pixar animators add to the enrichment of this event.

Workshop Registration is open to all students 6-18 years of age. Space is limited. We invite corporate sponsorship to help us create opportunity while encouraging Kaua'i educators to help us reach out to interested, talented and deserving students.
