Aloha Kaua'i Pacific Families,

Enclosed please find the re-enrollment survey form, contract, general information and school calendar for the 2011-2012 school year. We are eager to have all of our families return to share in the excitement of Kaua'i Pacific School. Please return the forms by February 18th to the school office in order to secure your child's spot for next year.

After careful consideration of the current economic situation and our collective desire to continue to offer a high quality program, we have set tuition at \$10,100 for K-6 and \$7,000 for the Pre-K program, plus a \$300 enrollment fee per child. The board of trustees is committed to supporting a diversity of families. Should you require tuition assistance for the upcoming school year; you can find information on how to apply on the school web-site under admissions. Forms are also available in the front office. All applications for financial assistance must be received by March 30th, 2011.

We are very excited about the progress being made here at KPS. We are proud of our digital storytelling grant, our Arts Excellence awards, our growing enrollment and our amazingly talented teachers. Most of all, we are proud of our kids!

Please help us in our planning by re-enrolling by February 18th. We can announce classroom configurations and teacher assignments once we have a clearer picture of our enrollment numbers at each grade level. Should you have any questions or suggestions, please feel free to contact the school at any time! Thank you for choosing Kaua'i Pacific School as the educational option for your child. We recognize this is one of the most important decisions you make for your child and we appreciate your trust and support.

Mahalo nui loa,
